Love Canal is a neighborhood within Niagara Falls, New York. The neighborhood is infamously known as the location of a 70-acre (28 ha) landfill which became the epicenter of a massive environmental pollution disaster harming the health of hundreds of residents, [citation needed] culminating in an extensive Superfund cleanup operation. Originally intended as a model planned community, Love Canal ...

The word "love" can have a variety of related but distinct meanings in different contexts. Many other languages use multiple words to express some of the different concepts that in English are denoted as "love"; one example is the plurality of Greek words for "love" which includes agape and eros. Cultural differences in conceptualizing love thus doubly impede the establishment of a universal ...

The function described below is available on NPM: `var b64toBlob = require('b64-to-blob')`. The `atob` function will decode a base64-encoded string into a new string with a character for each byte of the binary data.. `var byteCharacters = atob(b64Data)`; Each character's code point (`charCodeAt`) will be the value of the byte. We can create an array of byte values by applying this using the `.charCodeAt` ...
