In law, social orientation refers to taking into account the well-being of society in addition to customer satisfaction. SDO was first proposed by Jim Sidanius and Felicia Pratto as part of their Social Dominance Theory (SDT).

### **Social Orientation by Sebastian Cantillo on Prezi**

Social orientation refers to the theory that explains why a person has particular behaviors, relationships and adaptations with other people and/or society in general. Also referred to as social dominance orientation in some disciplines, professionals use this theory to predict behaviors, particularly with inter-group attitudes and behaviors.
