Managing Opportunities and Risks - CIMA

A financial crisis is any of a broad variety of situations in which some financial assets suddenly lose a large part of their nominal value. In the 19th and early 20th centuries, many financial crises were associated with banking panics, and many recessions coincided with these panics. Other situations that are often called financial crises include stock market crashes and the bursting of ...

Kenya has the largest, most diversified economy and the second largest population in East Africa. It also has a young, ambitious and well-educated workforce eager to contribute to the development of the country. These factors have helped the country become a leader in mobile-money and information-and-communication technology. As "the gateway to East Africa," Kenya plays a vital role as a ...

The third trend is the erosion of multilateralism. Whereas former President Obama sought (with mixed success) to manage and cushion America's relative decline by bolstering international agreements such as trade deals, the Paris climate accord, and the Iran nuclear negotiations President Trump recoils from all that.
