Contract Code Title Description - United States Courts

Where's George? is a website that tracks the natural geographic circulation of American paper money. Its popularity has led to the establishment of a number of other currency tracking websites and sites that track other objects, such as used books. Statistics generated by the website have been used in at least one research paper to study patterns of human travel in the United States.

Where's George? - Wikipedia

The Companies Act. The Companies Act, 2013 passed by the Parliament has received the assent of the President of India on 29th August, 2013. The Act consolidates and amends the law relating to companies.
