Within this page, the complex processes involved in reading comprehension are divided into three categories (much like the National Reading Panel Report).

### **Reading Comprehension - University of Connecticut**

Reading comprehension is the ability to process text, understand its meaning, and to integrate with what the reader already knows. Fundamental skills required in efficient reading comprehension are knowing meaning of words, ability to understand meaning of a word from discourse context, ability to follow organization of passage and to identify antecedents and references in it, ability to draw ...
