

devils demons a dictionary pdf

A demon is a supernatural and often malevolent being prevalent in religion, occultism, literature, fiction, mythology and folklore.. The original Greek word daimon does not carry negative connotations. The Ancient Greek word δαίμων daimŃn denotes a spirit or divine power, much like the Latin genius or numen. The Greek conception of a daimŃn notably appears in the works of Plato, where ...

Demon - Wikipedia

A devil is the personification of evil as it is conceived in many and various cultures and religious traditions. It is seen as the objectification of a hostile and destructive force. It is difficult to specify a particular definition of any complexity that will cover all of the traditions, beyond that it is a manifestation of evil.
