The Temple Of Wisdom is only accessible through the astral plane. I have been traveling there for the past 25+ years and have been discovering how to learn real magic from the Ascended Masters that teach within this astral place. Inside this mystery school, I have accessed magical scrolls on how to get magical powers and have studied them throughout the years.

Hofstede's cultural dimensions theory is a framework for cross-cultural communication, developed by Geert Hofstede. It describes the effects of a society's culture on the values of its members, and how these values relate to behavior, using a structure derived from factor analysis.. Hofstede developed his original model as a result of using factor analysis to examine the results of a worldwide ...

Socioeconomic status (SES) is an economic and sociological combined total measure of a person's work experience and of an individual's or family's economic and social position in relation to others, based on income, education, and occupation. When analyzing a family's SES, the household income, earners' education, and occupation are examined, as well as combined income, whereas for an ...
