Our team members and consultants are the cornerstones to our success. HCTec is committed to creating an engaging environment of professional growth that attracts the best HIT and HIM experts in the business by putting their needs first.

### **Careers | HCTec**

While the number of hospitals increased rapidly from the late 19th century onward, it was still uncommon to be treated in one. The largest causes of mortality were coronary heart diseases for men and breast cancer for women. In 1929, a special committee was established to evaluate the status of health care in Finland.
