As public budgets have grown tighter over the past decade, states and school districts have sought ways to control the growth of spending. One increasingly common strategy employed to rein in costs is to offer experienced teachers with high salaries financial incentives to retire early.

Early Retirement Payoff: Incentives for teachers may boost

But first, letâ€™s look at why it probably doesnâ€™t matter anyway. If you want to retire really early, you generally have to save a large percentage of your income. Like 50%+ of your net income. And if youâ€™re doing that, chances are that you can both max out your retirement accounts and have to save a significant amount of money in a taxable account anyway.

Early Retirees Should Max Out Retirement Accounts â€“ The
