Title: The practical electroplater. A comprehensive treatise on electroplating, with notes on ancient and modern gilding, and formulas for new solutions A comprehensive treatise on electroplating, with notes on ancient and modern gilding, and formulas for new solutions

File:The practical electroplater. A comprehensive treatise

Electroplating is well established but not very well known. Unlike painting (some kinds, anyway), it is hardly a domestic art. Its apparent difficulty and complexity may obstruct its wider utilization. The object of this guide is to penetrate the aura of mystery surrounding electroplating, as a step towards procuring its full industrial potential.
